Terms & Conditions

- The equipment must be installed in a permanent residence receiving Lakeland Electric residential electric service.
- To be eligible for rebates, purchased equipment must be Energy Star qualified and currently listed on the Energy Star website. https://www.energystar.gov/
- Refrigerator must be full-sized as defined by Energy Star (7.75 cu. ft. or greater volume)
- Rebate applications must be received within 90 days of the applicance purchase date.
- Rebates cannot exceed the total installed cost of the appliances, which must be new, not used.
- For a rebate to be applied, the date of purchase, brand and model number of the equipment must show on the receipt and accompany the application. For the replacement of existing appliances, it excludes all new construction.
- Applications must be completed entirely for rebates to be applied.
- Rebates will not be paid to the equipment vendor or the installation contractor.
- Proof of installation is required.
- Rebates are subject to change without notice and are subject to approval.
- To be eligible for updated or new rebates, qualifying purchases must be made on or after July 13, 2026.
